## Coastal Gifts

01 Here's the perfect present for an amateur snapper who wants to improve their skills, as professional photographer Keith Morris continues his popular 'photowalks' around Aberystwyth this spring and summer. On these informal excursions, Keith shares his expert tips and advice for producing better pictures with your camera – or even your mobile phone. The walks are at a leisurely pace, last around two and a half hours, and are held on weekends and warm summer evenings.

Prices start from £25 per person. To find out more about both the walks, and more advanced whole-day and weekend photo-excursions, contact Teithiau Cambria | Cambria Tours Ltd on tel: 01970 631731. For more about Keith Morris visit [www.artswales.com](http://www.artswales.com)

Its allure has been captured in this gorgeous collage by British artist Lyn Evans who creates pictures of coast and countryside using torn-up pages of magazines. Would make a great gift for anyone who loves Aberaeron or the Welsh coast in general.
