union jack boat

rainbow sea glass bracelet

Coastal Home is a coast and sea-inspired online boutique of beautiful and unique homeware, interiors and gifts. They take pride in supporting the work of local craftsmen and women and many of their items are created by talented artisans from across the UK, such as the new silver and sea glass jewellery range from the North East, driftwood ceramics from Yorkshire, cotton tea towels from Hampshire, rope doorstops from Devon, decorative copper glass bowls from Cornwall, handthrown stoneware from the Isle of Wight and driftwood mirrors from North Wales. Coastal Home has a wide range of items and

departments to suit any budget, including coastal living, bathroom, kitchen, gift ideas, art, personalised gifts, driftwood, coastal jewellery, outdoor living and hand carved wooden birds. Along with handcrafted items, it also stocks well-known brands, such as Archipelago, Garden Trading and The Old Basket Company. Whether a limited edition harbour scene print, pebble and shell heart wreath, a 'Glorious Cornwall' cushion, moon and tide clocks, fish pewter light pulls, woven cotton throws, driftwood mirrors or a rainbow and pearl sea glass necklace. If you love the UK coast you'll love what Coastal Home has to offer.
